

Industrial Design Internship

Required Skills:

Sketching
Concept Ideation
Design Thinking
Rhino (or similar CAD)

Preferred Skills:

Adobe Photoshop
Microsoft Powerpoint or Google Slides

Job Description:

IDA Design is an industrial design and research firm that specializes in designing contract furniture. IDA works closely with medium to large manufacturers and also publishes trend reports and articles.

IDA Design is seeking a summer intern to work between 20-30 hours per week. The student would work closely with the staff industrial designers and team to conceptualize and develop compelling furniture for the contract furniture industry and residential furniture industry. The ideal candidate will be comfortable working both independently and collaborating with the IDA team throughout all phases of the design process (research, ideation, development, launch). This position will include attending our industries' largest trade show in North America, NeoCon. This is a great opportunity to better understand the latest trends in our industry, network, attend presentations, and get to see new product introductions.

Compensation & Hours:

20-30 hours per week
\$17.00 per hour

To apply for this position e-mail your resume, a cover letter, and examples of your work to cara@idadesign.com
